

Berkswell Parish Council

Employment Policy

1. General

The Council will as a principle only employ a clerk/RFO and see to contract out all of its other activities due to the complexities of managing staff with a very part time Clerk.

The Council will take all practical steps to ensure that its contractors are bone-fide e.g. ensure they have work with other clients, provide their own equipment, manage their own time and are covered by suitable PL insurance etc. Such contractors are not employees.

The Council shall make use of as much (unpaid) volunteer help as it can either directly or by partnering with groups such as the Berkswell Society. Such persons are not employees.

2. Employment Conditions

Berkswell PC clerk will be employed on a contract bespoke to Berkswell PC and not formally linked to the national agreement for clerks in view of the complexity of those conditions and their inappropriateness for a small council. - clerk's pay rate and when they will be paid
- clerk's hours of work

- sick pay arrangements
- notice periods
- information about disciplinary and grievance procedures
- any collective agreements that affect the clerk's employment terms or conditions
- pensions and pension schemes

3.2. A review of the salary will be conducted annually.

3.3. Other key terms of employment will be set again by comparison to the market e.g. holidays

3.4. The Council operates a discretionary sick pay scheme

3.5. Pension provision will be a direct contribution scheme that will at least meet the legal requirement. The level of employer contribution will be set periodically following a review of the market.
