A452 Kenilworth Road – roundabout construction works update

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Initial works have now started and are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Works restarting on the A452 at Park Lane

LM will soon be preparing to **restart works for the construction of the roundabout on the A452 Kenilworth Road, Berkswell, close to Park Lane.**

As with previous phases, the works over the coming months will involve a series of traffic management to be implemented on both the northbound and southbound carriageways, between the Aston Martin roundabout and the Beefeater roundabout. This is to ensure that our works can be carried out safely and **allow traffic to continue to flow during the majority of our works.** Park Lane will remain closed.

What to expect

Setting up a works compound at Park Lane including further vegetation clearance adjacent to the road.

Overnight closures in early June to put barriers in, with a single lane closure on each carriageway, to enable safe construction within the central reservation.

Constructing running lane for traffic will be constructed in central reservation whilst construction of the roundabout progresses.

There will then be a series of traffic management changes whilst maintaining the use of the road.

In the last phase of our works, we will require full road closures for road re-alignments and tie-ins to the new roundabout.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

From June 2021 until February 2022.

Working hours

Daytime working
8.00am to 6.00pm

Overnight working
8.00pm – 6.00am

Lane closures 24/7

Our contractors may also be on site for up to one hour beforehand and after to set up and pack up the site.

What to expect

Some noise from on-site machinery during working hours.

Maintained access for emergency services, and to properties and businesses along the route.

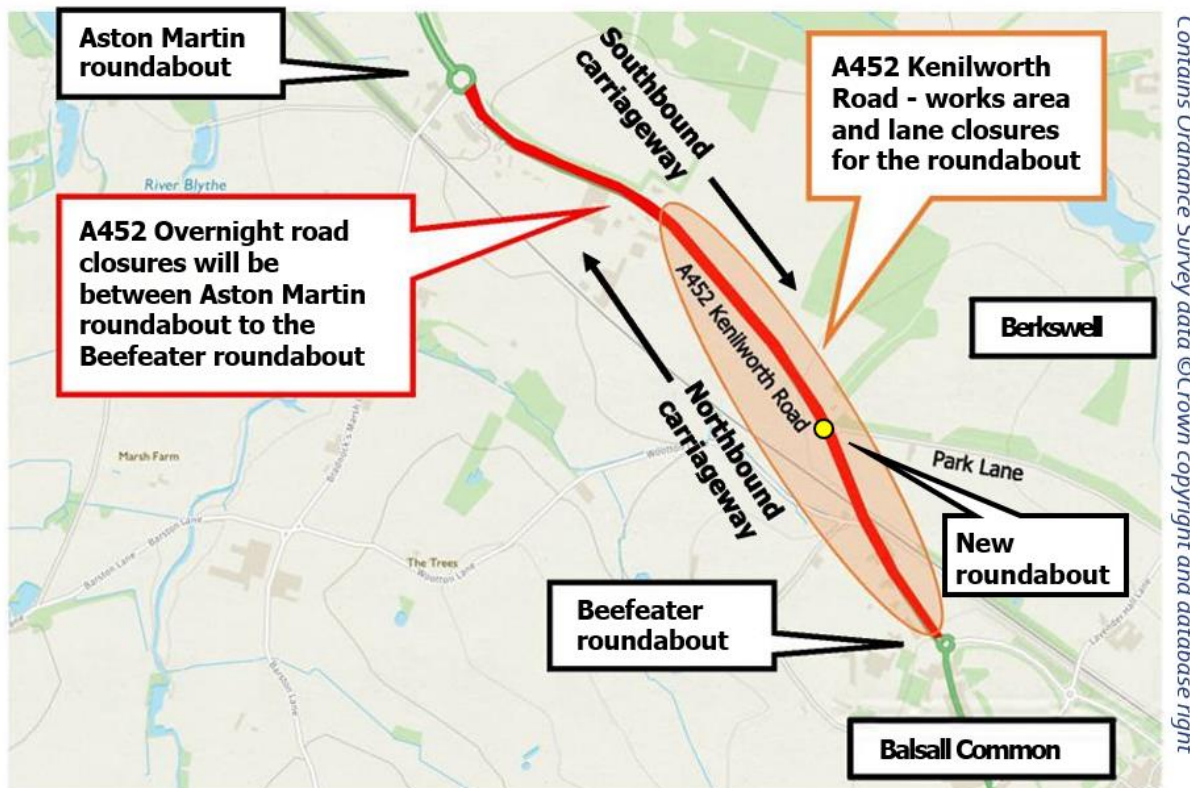

What we will do

Keep one.network and

www.hs2insolihull.co.uk

up to date with any changes.

Map showing road closure and area of works

Further information

All works and traffic management, including signage will be **erected as and when required**, subject to consent, site, and weather conditions. **Local diversions will be clearly signposted**. Access for residents and businesses within any closures will be maintained and we will visit all properties and businesses within the works area to discuss access requirements.

For live up-to-date traffic information and diversion routes please go to one.network. For more information about works in your area please register with www.hs2insolihull.co.uk.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Why we are doing these works

LM are carrying out early works in preparation for the mains works contractor to start building the railway. As part of the preparation for the mains works compound, which has been constructed on Park Lane, an additional roundabout is being built. This is to aid construction traffic to safely enter and exit the compound site but also to minimise the impact of construction traffic to residents and businesses.

As stated earlier, additional traffic management will be required until the completion of our works later this year. We will send further notifications about this in due course and will endeavor to make suitable arrangements to manage local access for businesses and residents, depending on the nature of the works, as and when required.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 [route](#).

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:

residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website:

www.hs2.org.uk/how-to-complain

Contact Us

If you have any questions about this notification of works, please get in touch.
