SMBC	Hawkhurst Moor Farm	Hawkhurst Moor Farm - alleged wood processing and chipping operation. A resident has advised the Council that it has been some time now since the matter was raised with SMBC and the operation is still carrying on as before and has asked SMBC for an update of the latest status	To update following further investigation	Awaiting response	<p>DW wrote the investigating officer (my colleague, Stephen Wilkinson) has a meeting with a company representative out at the site today. This should clarify the matter and we will then be in a position to update you. Chasing email sent 09/03/20. Reply received 16/03/20 Apologies for the delay in response – I've been out of the office for the last 4 weeks on jury service so just returning today to a lot of messages to catch-up on.</p> <p>The request for pre-application advice is currently still being assessed. The Council's formal response is due imminently however, so I anticipate being able to provide more substantive response soon.</p>
