Balfour Beatty VINCI Working in partnership with HS2

Notification

Notice of road closure – Baulk Lane, Berkswell

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

Due to the temporary full closure of Lavender Hall Lane until the 15 October 2021 it has become necessary to temporarily close Baulk Lane for safety reasons. This is due to the signed diversion not being followed and a number of complaints from local residents. There will be a fully signed diversion in place during the closure - please see map overleaf. Access to properties will be maintained at all times.

This closure is for motor vehicles only and will remain open for pedestrians, cyclists and horse riders.

When these works will take place

This is short notice and will be implemented on Friday 8 October to the 15 October. There will be advanced warning signs placed on Truggist Lane and Spencers Lane and we will also keep you updated through www.hs2insolihull.co.uk .

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue, as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

Duration of works

- Temporary closure of Baulk Lane .
- Closure is scheduled to start from 8 October to the 15 October with the closure being on 24/7.
- Access to properties will be maintained.
- This closure is for motor vehicles only and will remain open for pedestrians, cyclists and horse riders.

What to expect

- Minor delays to local journeys.
- A signed diversion.

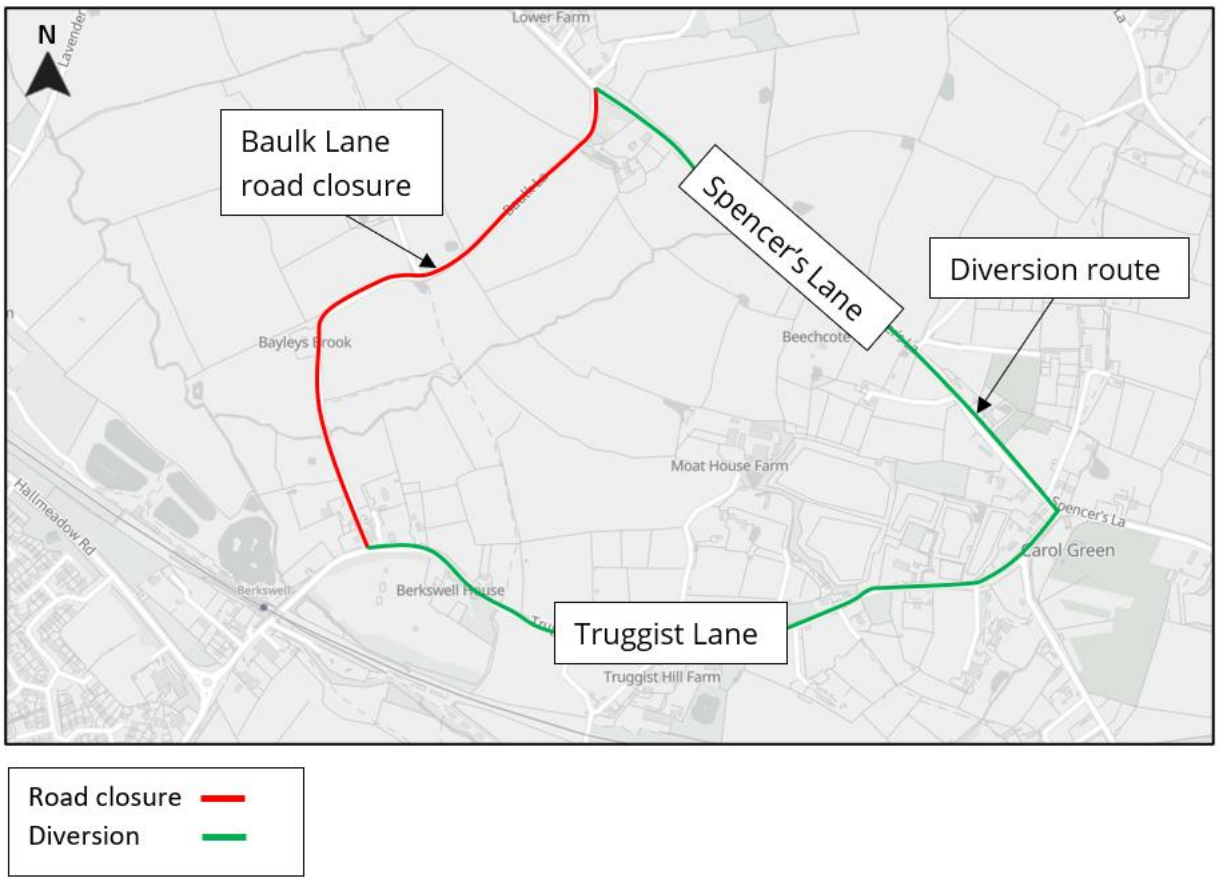

What we will do

- Keep you up-to-date with any changes at www.hs2insolihull.co.uk
- Keep all sites safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: https://www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter
We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
