M191 and M197 footpath closure

October 2021 to December 2025

High Speed Two (HS2) is the new high speed railway for Britain.

Balfour Beatty Vinci (BBV) is working in partnership HS2 Ltd to build the new railway in your area. We will be closing a section of the M191 and M197 footpaths, off Baulk Lane and the Fisheries, and setting out a temporary alternative route over this period. The section of the **footpath to be closed is marked red** on the map below and the **alternative route is marked in orange.**
This closure will allow us to keep users of the footpaths safe as we construct Balsall Common Viaduct at this location and the use of the on line site haul road for earthwork operations and deliveries.

The timeframes in this notification may be subject to change and consents. For the latest information, please refer to **www.hs2insolihull.co.uk** and road signs.
