Council to agree that the Annual Governance Statement should be signed by the Chairman and Clerk in attendance at the meeting. This statement will be available on the Council's website once it has been approved and must be published before 1 July 2026.

21. Accounting Statements 2025/26 – Council to note that the Annual Governance and Accountability Return must be prepared following the guidance in "Governance and Accountability for Smaller Authorities – a Practitioners' Guide to Proper Practices" and that they present fairly the financial position of this Authority. The Responsible Financial Officer must sign the Statement before it is presented to the Authority for approval. Council is required to confirm that this has been done and then the Council must, in the following order:

a. Consider the statement of accounts by the members meeting as a whole;
b. Approve the statement of accounts by resolution. Consequently, Council to approve the following motion – "The accounting statements for 2025/26 are approved by this Council"; and
c. Ensure the statement of accounts is signed and dated by the person presiding at the meeting at which that approval is given.
d. This statement will be available on the Council's website once it has been approved and must be published before 1 July 2026.

22. Analysis of S.137 expenditure – Council to note that the maximum permitted expenditure in 2025/26 under the Local Government Act 1972 S.137 was £23,200 and that the actual expenditure in that year was £4,334 (ex VAT).

Period for the exercise of public rights – Regulation 14 (1) stipulates that any rights of objection, inspection and questioning of the external auditor conferred by Sections 26 and 27 of the Local Audit and Accountability Act 2014 may only be **exercised within a single period of 30 working days**. Regulation 14(3) stipulates that during the period for the exercise of public rights a relevant authority must make the documents referred to in section 26(1) of the Act available for inspection on reasonable notice at all reasonable times. As the Clerk works part-time another person in the Authority should provide contact details to cover the times/days during the period when the clerk is not available. This is the responsibility of the Authority, not just the Clerk/Responsible Officer. **Council to agree the following motion:** "The period for the exercise of public rights will commence on 3 June 2026 and finish on 14 July 2026".

24. 2025/26 Annual Accounts – Council to note the year end accounts for the financial year 2025/26 (available on the website).

27. Planning Applications

a. At the request of residents, the clerk provides a running list of all planning applications received by the Parish Council. This list is updated on a weekly basis and can be accessed via the Planning Applications page on the Parish Council's website.

b. Planning violation – Council agreed Cllrs Edwards and Lloyd would liaise with the farmer regarding the unlawful diversion of footpath M192 at Ram Hall Farm, which has resulted in displacement of the accessible path into an area inconvenient for the exercise of the public right of way by the ordinary traffic of the neighbourhood. Update to be provided.

c. Planning applications relating to Berkswell are routinely forwarded on to Parish Council Members by the Clerk for their consideration and their individual response if required. Any councillor may request that an application should be included on an Ordinary Meeting agenda or apply to the Chairman for an Extraordinary Meeting to consider an application requiring discussion and possible Parish Council comment. Requests have been made to consider the following planning applications at this meeting:

Ref	Location	Proposal	Response Date
2026/00835	Land Adjacent To Land Intersecting Park Lane, To The North Of Lavender Hall Lane, Balsall Common	Schedule 17 Bringing into use - Paragraph 9(1): Scheduled Work Numbers: 3/7A Footpath M215 Accommodation overbridge	20 May 2026
Motion: Council strongly objects to this application as premature. This has no impact on the opening and use of the footpath over the bridge on a permissive basis, which we all want to happen as soon as possible. The original completion date was 8 years ago.			
PL/2026/00479/PPRM	Pheasant Oak Farm Hob Lane Berkswell Solihull.	Reserved matters submission for approval of Landscaping, Scale, Appearance and Landscaping for the erection of 250 dwellings, including discharge of conditions 6 (Design Code) and 9 (Surface Water Drainage Scheme) pursuant to outline planning permission ref: PL/2023/022140PPOL	
At the EM dated 20 April Berkswell Parish Council considered a request to seek an amendment to the approved land parameters plan to move the proposed orchard to the right of South View Farm, where the layout currently proposes housing, to protect the setting of the windmill. Council questioned whether the approved plan and proposed layout would have a potential detrimental impact on the windmill given the distance involved and the landscaping proposed. Chair has since spoken with Daniel Oliver, technical director at Vistry who advised that to accommodate the changes to the layout plan requested in respect of the windmill the Biodiversity Net Gain would be reduced as it would involve relocating houses thereby requiring the removal of existing hedges and trees on the site. Motion proposed: No further comments to be made to SMBC regarding this submission.			

d. Updates to Live Planning Applications – nothing to report.
