   b. To receive written requests for disclosing pecuniary interests
   c. To consider any requests for dispensations as appropriate
   d. Councillors are reminded to update their Notice of Registrable Interests'. 5. **To approve Minutes of the following meetings:**
   Annual Meeting of the Parish Council – 14 May 2026
   Extraordinary meeting – 25 June 2026
6. **Open Forum -** Parishioners of Berkswell are invited to address the Council on any relevant matter for a maximum of three minutes.
7. **Borough Councillors' Report**
8. **Planning Applications**
   a. At the request of residents, the clerk provides a running list of all planning applications received by the Parish Council. This list is updated on a weekly basis and can be accessed via the Planning Applications page on the Parish Council's website.
   b. Planning violations – 91 Meeting House Lane. Residents started building a balcony at the back of their house without permission. They then submitted a planning application and received approval for a Juliette balcony. The work they had already undertaken, eg erecting a screen has not yet been dismantled. Neighbouring resident has asked that the council write a formal letter to Solihull Council asking for the matter to be expedited. Council to consider supporting this request.
   c. Planning applications relating to Berkswell are routinely forwarded on to Parish Council Members by the Clerk for their consideration and their individual response if required. Any councillor may request that an application should be included on an Ordinary Meeting agenda or apply to the Chairman for an Extraordinary Meeting to consider an application requiring discussion and possible Parish Council comment. Requests have been made to consider the following planning application at this meeting:

Ref	Location	Proposal	Response Date
This application is made in accordance with section 119 of the Highways Act 1980	J Hubbard & Son Ltd, Little Beanit Farm, Waste Lane, Balsall Common, Coventry, CV7 7GH	**The Location of the current footpath -** Footpath no M184 which goes from Hob Lane, Balsall Common across the fields to Little Beanit Farm, where it went through the farm yard and then along the embankment of the old Kenilworth Greenway and came out at the base of the hump back bridge on Waste Lane, This footpath is currently shut from the temporary greenway to the Waste Lane bridge due to HS2 construction. **Area for diversion –** We would like to divert the path from the field next to the temporary Kenilworth greenway along to the buildings at Little Beanit Farm, Grid reference sp2575276307. In the first 2 fields we would like to straighten the path so that it follows the hardcore path along to the field before the farm buildings grid reference sp2588076466 where it would turn right into the field away from the buildings along the hedge and then join the farm track grid reference sp2596576395 and head towards the new Kenilworth Greenway and the new overbridge connecting to footpath M186 and the Kenilworth Greenway which will take them back to Waste Lane.	
Motion: Council to consider and confirm approval to the proposed diversion of path M184 through Little Beanit Farm.			

d. Updates to Live Planning Applications – Land at Station Road was discussed by Solihull MBC planning committee 15th July. Cllr Shadbolt spoke at the meeting on behalf of Berkswell Council highlighting main points raised in our objections and conditions for approval and will update the Council on the decision taken.

11. Correspondence

12. Ongoing References

a. **Governance review**

i. Council to note the update from the first working party meeting.

ii. Since the meeting, a few organisations were approached with regard to conducting a review of the staffing of the two councils with a view to forming a recommendation for the requirements of a

joint parish council. WALC was the only provider able to provide a proposal, provided for the Council to note.

iii. Council to approve the WALC proposal to enable the Joint Working Party to move forward, cost to Berkswell Parish in line with that already approved at the recent EM, £2,000.

iv. Council to consider ways to reduce the business as usual (BAU) resourcing requirement to help free up time to focus on the merger. Suggestions include fewer meetings, supplemented with EMs as required.

v. Council to plan the recruitment of a locum clerk as agreed at minute 6.b.ii of the EM held on 25 June 2026.

b. **The War Memorial**

i. Update on final grant claim to HS2Funds

- Council to note that HS2Funds have been advised that we wish to make a final grant claim (all claims to the War Memorial Trust have been settled). In response, HS2Funds have advised that, in addition to the Final Claim Form, they require a 12 month completion report as 12 months has passed since the project was completed.
- Quinquennial Inspections have agreed to provide a Quinquennial Inspection Report which they have stated will satisfy HS2Funds' requirement for a 12 month completion report.

c. **HS2**.

i. Update from the Working Group looking at legacy art installations – meeting held 9th July, brief verbal update to be provided.

ii. Council to note that a survey was widely publicised seeking people's views and experience of the Greenway. This closed on 2nd July. In addition, there were a number of focus group events including a walk attended by 9 u3a members (including Councillor Drake) and by Councillor Lycett, of the stretch of the temporary Greenway near the Station. A further meeting was held of the main project group on 9th July and a separate report will be issued.

iii. Council tp note that Councillor Drake met with BBV along with Ward Councillor Baker for a routine update of progress. All this information is mostly in the public domain especially the A452 works. Arrangements being made for another councillor visit to the sites (Ward, Balsall and Berkswell Councillors)

iv. Council to note that a meeting took place on 14th July for an update on HS2 timings in the light of the "reset". Due to tight timing this will need to be a verbal update.

v. Cllr Lloyd has provided a summary of legal advice obtained by the Open Spaces Society regarding 'bringing into use' applications for HS2. Council to note.

d. **Neighbourhood Development Plan (NDP) –** awaiting a response from SMBC.

e. **TPOs for trees on Barratts Farm (BC1) –** awaiting a response from SMBC

f. **Balsall Common Programme Manager** – nothing new to report. View is that this will be placed on hold until the councils merge and then taken forward with SMBC. Council to agree to remove form agenda.

13. Training and Meetings not covered elsewhere on the Agenda

a. Council to note a meeting took place with the proposers of 2 sites off the A452 north of the skew bridge, notes have been circulated

b. A meeting with the developer of the Berkswell RBL meeting was cancelled due to illness and will be rearranges

c. Councillors Shadbolt and Drake visited Little Beanit Farm to view the proposed footpath diversion

14. Heritage and Community –

a. **Grounds Maintenance**

i. Council to note that, due to the weather pattern this spring, hedges grew more rapidly than expected obscuring benches and signage leading to some complaints from residents.

Consequently, the Clerk authorised our contractor to carry out, what would normally have been an annual hedge cut in autumn, in mid June. The grounds maintenance contract provides for one trim per year which has now been carried out.

ii. As a consequence of 14.a.i. above, Council to approve an additional £395 to be added to the 2026/27 grounds maintenance budget to enable another hedge trimming cut in the autumn.

b. **Berkswell barbecue** is planned for 5th September. Council to approve support for up to £1000. Cllr Edwards to undertake usual risk assessment.

c. **Stonesthrow Publication** has contacted Cllr Drake to ask for support from Councillors for brief Q&A style article to be included in the local publication. Council to agree support for this request and nominate individual to assist.
