Location	Work required	Status
Spinney Car Park - Fencing	• Reset fence post into more secure hole • Reset /make fence more sturdy • Reset post to vertical	} Not sure if this work has been done
	• Assess the fence around the Spinney Car park for necessary repairs. There is a whole section where the fence has collapsed which we are leaving as-is.	Still outstanding
Wooden posts near Bescul's House (near the well)	The 2nd post in from the left has rotted and needs replacing. James H has used 4.5" x 4.4" treated posts (not oak) from Hubbards in the past	Still Outstanding
The Crimean Cannon – Garden behind the Alms Houses on Church Lane.	We are not going to move it. However, the plinth needs repairing.	Still outstanding
